» INTRODUCTION

World Mission University has been developing a Bachelor of Science in Nursing; RN to BSN Completion Program launched in Fall, 2019. Our RN to BSN program is designed as an academic progression model for current students in Associate degree in nursing programs and practicing registered nurses to advance their educational preparation to the Bachelor of Science in level. The RN to BSN program requires completion of 37 credits of nursing courses and biblical courses. Students will complete the entire program on the University’s main campus in Los Angeles in the traditional classroom setting or online education. Admissions to the program will begin in Fall Semester, every year. The proposed program is geared primarily for working registered nurses who are seeking professional improvement and advancement. Most of our students will be adult learners studying on a part-time basis and will normally complete the program over a period of 18 months (3 semesters).

» REQUIREMENTS DURING THE PROGRAM

Our RN to BSN program requires 37 credits of nursing education including nursing practicum.

» ENROLLMENT SCHEDULE

FALL SEMESTER	Aug. 24, 2020 Open Class (deadline Aug.14)
SPRING SEMESTER	Jan. 27, 2021 Open Class (deadline Jan.14)

» ADMISSION CRITERIA

This program is open to applicants who have earned the followings ;

- 1) Associate of Science in Nursing Degree
- 2) RN license in U.S.

All applicants for RN to BSN program will be required a minimum 2.0 cumulative GPA, completion of Associate Degree in Nursing from an accredited nursing program, and an unencumbered RN license.

» CURRICULUM

The curriculum is based on Essentials of Baccalaureate of Education identified by American Association of Colleges of Nursing and the academic progression model of the National League of Nursing with application of Competencies for Graduates of Baccalaureate programs.

The University offers a range of student services, including admissions, registration, financial aid, academic advising, international student advising, technological support, and personal and spiritual counseling. Since RN to BSN program will be based in the main campus, nursing students have direct access to all these services during the length of their study.

- **NUR 301** Transcultural Nursing
- **NUR 302** Current Issues and Trends in Nursing
- **NUR 303** Psychological and Spiritual Assessment in Health Care
- **NUR 324** Nursing Informatics
- **NUR 325** Nursing Theory and Nursing Professional Values
- **NUR 326** EBP and Nursing Leadership
- **NUR 327** Soul Pain and Holistic Care
- **NUR 328** Community and Public Health Nursing
- **NUR 329** Community and Public Health Nursing Practicum
- **NUR 332** Nursing Research and Senior Project

** The Bible and General Education requirement may result in a longer degree program for students who do not transfer in those credits. Those who do not enough credits will be allowed to complete the requirements during their program at the University.*

» PROGRAM STRATEGIES

RN to BSN program pursues these strategies :

1. Provide high quality, student-centered learning environments such as 1:1 student faculty mentor support system.
2. Incorporate evidence-based care and the use of clinical reasoning.
3. Support spiritual, intellectual, and professional development of students.
4. Foster collaboration with healthcare stakeholders in the local and global communities.
5. Access to broaden library resources including digital journals.
6. Flexible schedule for working RNs.
7. Prerequisite classes (Nursing Care, Bible, General Education) may be required.

» FINANCIAL INFORMATION IN NURSING PROGRAM

RN-BSN	
Admission & Administrative Fee (Non-refundable)	\$300
Total Tuition (Tuition per Credit \$400 x 37 Credits)	\$14,800
