

Public Outcomes of World Mission University

Accreditation

The World Mission University is a degree-granting institution that is accredited by the Association for Biblical Higher Education (ABHE, 5850 T.G. Lee Blvd., #130, Orlando, FL 32822; 407-207-0808) and the School of Theology is also accredited by the Association of Theological Schools (ATS, 10 Summit Park Dr, Pittsburg, PA 15275; 412-785-6505). The accreditation of these associations applies to both the main campus and Orange County Extension Site.

Accredited by the Commission on Accrediting of the Association of Theological Schools in the United States and Canada, and the following degree programs are approved:

Master of Divinity
Master of Arts in Counseling Psychology
Master of Arts in Music
Master of Arts in Global Leadership
Master of Arts [Theology]
Doctor of Ministry
Doctor of Church Music
Doctor of Philosophy

ABHE and ATS are accrediting agencies recognized by the Council for Higher Education Accreditation (CHEA) and the United States Department of Education.

Institutional Goals

Graduating students will be able to:

- To demonstrate the ability to think critically on the basis of appropriate knowledge of Scripture and evangelical tradition.
- To demonstrate spirituality and character maturity through spiritual disciplines and praxis of Gospel.
- To demonstrate theoretical understanding and practical skills in their professions.

Undergraduate Program Descriptions

General Education Learning Outcomes

Upon completion of the program, students will be able to:

- Demonstrate the knowledge, abilities, and skills necessary to speak and write effectively for a variety of audience;
- Observe and then analyze relevant information in order to evaluate and construct arguments and draw conclusions;
- Demonstrate the basic understanding of key concepts in general education; and
- Integrate broad knowledge in general education for a Christian worldview.

BA Bible Core Learning Outcomes

Upon completion of the degree, students will be able to:

- Demonstrate the knowledge of the general content, purpose, structure, themes, relationship, and theology of the Old and New Testament Scriptures;
- Exhibit spiritual maturity as a Christian leader; and
- Understand the basic concepts of the Christian theology.

Associate of Arts in Christian Ministries

General Description and Program Goals

World Mission University offers an Associate degree in Christian Ministries requiring 60 semester hours of credit. The program requires two academic years and is designed to equip students for effective lay ministries. The goal of the program is to help students attain a fundamental grounding in general education, Biblical Studies, and practical ministry skills.

The goals of the Associate of Arts in Christian Ministries program are to:

- To prepare students for transferring to Bachelor programs.
- To prepare students for helping professional ministers through various roles in church and Christian organization

AACM Program Learning Outcomes

Upon completion of the degree, students will be able to:

- Integrate broad knowledge in general education for a Christian worldview;

- Demonstrate a knowledge of Scripture, proper use of hermeneutics, and ability to communicate the Gospel;
- Exhibit spiritual maturity as a Christian leader; and
- Demonstrate the basic theoretical understanding and practical skills for ministry.

Associate of Arts in Christian Counseling

General Description and Program Goals

World Mission University offers an Associate degree Christian Counseling requiring 60 semester hours of credit. The program requires two academic years and is designed to equip students for effective lay ministries. The goal of the program is to help students attain a fundamental grounding in general education, Biblical Studies, and practical ministry skills.

The goals of the Associate of Arts in Christian Counseling are to:

- To prepare students for transferring to Bachelor programs.
- To prepare students for helping professional ministers through various roles in church and Christian organization

AACC Program Learning Outcomes

Upon completion of the degree, students will be able to:

- Integrate broad knowledge in general education for a Christian worldview.
- Demonstrate a knowledge of Scripture, proper use of hermeneutics, and ability to communicate the Gospel;
- Exhibit spiritual maturity as a Christian leader; and
- Demonstrate the basic theoretical understandings and practical abilities for counseling.

Bachelor of Arts in Christian Ministries

General Description and Program Goals

World Mission University offers a Bachelor of Arts in Christian Ministries degree requiring 126 semester hours of credit. The program requires four academic years, includes general education courses, and is designed to equip students for effective Christian ministries. The goal of the program is to help students attain a fundamental grounding in bible and theology, and an introduction to the theory and practice of various kinds of ministries such as counseling, praise, education and so on.

The goals of the Christian Ministries program are to:

- To prepare students for graduate study
- To prepare students for Christian ministries.

The goals of the Bachelor of Arts in Christian Ministries concentrate on Praise and Worship program are to:

- To prepare students for graduate study
- To prepare students for worship and praise ministries

Learning Outcomes

Upon completing this program, students will be able to:

- Demonstrate a knowledge of Scripture, proper use of hermeneutics and ability to communicate the Gospel;
- Exhibit spiritual and personal growth of emerging leader;
- Understand basic concepts of the Christian theology;
- Understanding the work of worship and praise through the biblical foundation and history of worship and worship theology.
- Understanding of practical modern musical instrument performance and skill acquisition in the worship ministry.

Bachelor of Arts in Christian Counseling

General Description and Program Goals

World Mission University offers a Bachelor of Arts in Christian Counseling degree requiring 126 semester hours of credit. This program is intended for students who wish to develop counseling skills in order to assist the personal growth of individuals as an integral part of ministry. This program requires four academic years based on 126 semester hours of credit and builds upon the General Education, Bible, and Theology requirements.

The goals of the Christian Counseling program are to:

- To prepare students for graduate study
- To prepare students for Christian counseling ministries

Upon completing this program, students will be able to:

- Articulate biblical foundation for Christian counseling;
- Demonstrate growth in personal and spiritual life;
- Integrate counseling and Christian faith;
- Demonstrate the basic skills and practical abilities for counseling; and
- Demonstrate ability to address the needs of individuals in diverse cultural settings.

Bachelor of Arts in Music

General Description and Program Goals

World Mission University offers a Bachelor of Arts in Music degree requiring 126 semester hours of credit. The program requires four academic years of course work including General Education courses, Bible/Theology courses and music courses to prepare graduates to use their musical talents to serve the Church and society. Graduates will be qualified to serve as directors of music, worship leaders and to prepare students for graduate study in music.

The goals of the Bachelor of Arts in Music program are to:

- To prepare students for graduate study
- To prepare students for music ministries.

Learning Outcomes

Upon completing this program, students will be able to:

- Articulate a biblical foundation for music;
- Demonstrate growth in spiritual and personal life as a Christian musician;
- Integrate Christian faith and music; and
- Demonstrate the basic theoretical understanding and practical skills for music.

BAM Concentrations

Instrument

Learning Outcomes

Upon completing this concentration, students will be able to:

- Evidence techniques of vocal and instrumental accompanying; and
- Demonstrate sufficient technical and musical skills for a specific instrument.

Praise Ministry

Learning Outcomes

Upon completing this concentration, students will be able to:

- Demonstrate the ability to perform in ensembles; and
- Demonstrate sufficient technical and musical skills in a praise ministry.

Voice

Learning Outcomes

Upon completing this concentration, students will be able to:

- Demonstrate a comprehensive knowledge of vocal literature; and
- Demonstrate sufficient technical and musical skills requisite for voice.

Bachelor of Science in Nursing Completion

General Description and Program Goals

World Mission University offers a Bachelor of Arts in Science in Nursing Completion program requiring 37 semester hours of credit. This program is designed as an academic progression model for current students in Associate degrees in nursing programs and practicing registered nurses to advance their educational preparation to the Bachelor of Science level.

This program provides opportunities for nurses to develop as nursing professionals and to achieve academic achievement, mainly for continuous improvement and self-development.

The goals of the Bachelor of Science in Nursing Completion program are to:

- To prepare students for graduate study
- To prepare students for ministries in nursing practice.

Learning Outcomes

Upon completing this program, students will be able to:

- Integrate nursing education to professional nursing practice;
- Demonstrate evidence - based practice with critical thinking;
- Demonstrate professional communication with spiritual competence;
- Demonstrate Leadership skills for health promotion during the life cycle; and
- Apply systems, finances and policies to professional nursing care.

Bachelor of Arts in Social Work

General Description and Program Goals

World Mission University offers a Bachelor degree in Social Work requiring 126 semester hours of credit. This program requires four academic years based on 126 semester hours of credit and builds upon the General Education, Bible, and Theology requirements. The goal of the program is to help students attain a fundamental grounding in Social Welfare, including an introduction to the theory and practice of social work. Graduates will be qualified to serve as Christian Social Worker, Welfare Missionary, Pastor in Social

Work NGOs and Social Work Facilities, Nonprofit Corporations, Nonprofit Private Organizations, Public Institutions, and Churches.

The goals of the Bachelor of Arts in Social Work program are to:

- To prepare students for graduate study
- To prepare students for social work ministries

Learning Outcomes

Upon completing this program, students will be able to:

- Articulate theoretical foundation for Church Social Work and Christian Social Work;
- Demonstrate growth in personal and spiritual life;
- Demonstrate the basic skills and practical abilities for Social Work; and
- Strength competence as a social welfare leader who adapts to social environment by understanding and utilizing social welfare policy and administrative theory;
- Demonstrate Christian Social Work Practice to address the needs of individuals in diverse cultural settings.

Master's Program Descriptions

Master of Divinity

General Description and Program Goal

World Mission University offers a Master of Divinity degree requiring 88 semester hours of credit. The Master of Divinity program is designed primarily for those who expect to enter the ministry.

The degree program incurs three academic years and requires 88 semester hours of credit. As many as 44 semester credits may be transferred from another institution.

The goal of the Master of Divinity program is to prepare students for diverse ministries in ministry field.

Learning Outcomes

Upon completing this degree, students will be able:

- To exhibit knowledge of Scripture and proper use of exegetical methods. (scripture)
- To demonstrate the application and practice of the Christian faith for social transformation through personal development and spiritual formation. (Spirituality)
- To demonstrate the ability to think theologically by understanding the knowledge of the Christian faith and tradition. (Christian Tradition)
- To understand the particularity of cultural context and apply God's eternal word to a changing world and to particular individuals and congregations. (Culture)
- To demonstrate effective ministry skills within their professional ministry contexts (Ministry Skills)

Master of Arts [Theology]

General Description and Program Goal

World Mission University offers a Master of Arts [Theology] requiring 48 semester hours of credit. This program helps Christians who are interested in Theology and work with their professionalism in various areas to be equipped as Christian leaders.

The goal of the Master of Arts [Theology] program is to equip students with theological thinking and ministry competences

Learning Outcomes

Upon completing this degree, students will be able to:

- Upon completing this degree, students will be able:
- To exhibit knowledge of Scripture and proper use of exegetical methods. (scripture)
- To demonstrate the application and practice of the Christian faith for social transformation through personal development and spiritual formation. (Spirituality)
- To demonstrate the ability to think theologically by understanding the knowledge of the Christian faith and tradition. (Christian Tradition)
- To understand the particularity of cultural context and apply God's eternal word to a changing world and to particular individuals and congregations. (Culture)
- To demonstrate effective ministry skills within their professional ministry contexts (Ministry Skills)

Master of Arts in Global Leadership

General Description and Program Goal

World Mission University offers a Master of Arts in Global Leadership requiring 39 semester hours of credit. This program offers advanced training in the knowledge and practice of leadership from biblical and missional perspectives. Students will be equipped for effective leadership in Christian ministry in a global context through this 39-credit graduate program designed primarily for current and future social workers and Christian coaches.

Goal

The Goal of Master of Arts in Global Leadership is to prepare students for Christian ministries in global contexts

Social Work Concentration

Learning Outcomes

Upon completion of the program students will be able to:

- Integrate Bible/theology and welfare mission

- Develop welfare missionary perspective in their field of study
- Demonstrate practical skill and leadership for welfare missionary ministry

Coaching Concentration

Learning Outcomes

Upon completion of the program students will be able to:

- Equip theoretical knowledge of Christian coaching based on the Bible and theology.
- Apply coaching to various ministries.
- Demonstrate professional skills and leadership in coaching.
- Demonstrate cultural competence in the global coaching fields.

Master of Arts in Counseling Psychology

General Description and Program Goal

World Mission University offers a Master of Arts in Counseling Psychology requiring 47 semester hours of credit. This program is a two year program that provides in-depth course work for those who wish to be equipped with counseling competence needed to assist Christian individuals and families both in and out of the local church context. It is a non-licensure program, which is not designed to fulfill the California state requirements for licensure.

The goal of the Master of Arts in Counseling Psychology program is to prepare students for counseling ministries.

Learning Outcome:

Upon completing this degree, students will be able to:

- Integrate Bible/theology and counseling/ psychology; and
- Demonstrate personal and spiritual maturity as a care giving professional;
- Demonstrate comprehensive knowledge of counseling theories in specific area(s);
- Demonstrate competence and practical skills for counseling and its related services;
- Demonstrate their understanding and competence of counseling as a ministry.

Master of Arts in Music

General Description and Program Goal

World Mission University offers a Master of Arts in Music requiring 44 semester hours of credit. This program is a two-year program designed to provide opportunities for advanced study in music so that graduates may use their musical talents to serve the Church and the world. Graduates will be qualified to serve as directors of music, private music instructors, and performers

The goal of the Master of Arts in Music program is to prepare students for music ministries.

Learning Outcomes

Upon completing this degree, students will be able to:

- Integrate Bible/theology and music critically;
- Exhibit substantial and growing spiritual and personal maturity as a musician;
- Demonstrate practical performance skills in conducting, praise ministry, voice, and instrument;
- Demonstrate ability to influence and lead others in church music;
- Demonstrate advanced understanding of art music in the Western European tradition; and
- Demonstrate advanced understanding of music styles as discovered in musical analysis.

Master of Arts in Worship Studies

General Description and Program Goal

The Master of Arts in Worship Studies degree is a two-year program designed to provide opportunities for advanced study in Worship Ministries so that graduates may use their worship talents to serve the Church and the world. Graduates will be qualified to serve as a worship leader, a worship pastor, worship instructors, and performers. The MA in Worship Studies program requires 43 semester credits. As many as 21 semester credits of graduate work may be transferred from another institution.

The goal of the Master of Arts in Worship Studies program is to prepare students for professional worship ministries.

Learning Outcomes

Upon completing this degree, students will be able to demonstrate:

- A biblical and theological foundation understanding. (Biblical/theological foundation)
- Personal and spiritual maturity as a church leader. (Leadership and spiritual formation)
- A theological and historical understanding of worship. (theological/historical worship understanding)
- Effective leadership skills in worship ministry. (Worship Leadership formation)
- The ability to design and lead corporate worship. (Worship ministry/practice)

DMin Program Description

General Description and Program Goals

The Doctor of Ministry is an advanced professional program for those persons already successfully engaged in Christian ministry. The program is designed to build missional leaders with ministry expertise.

To this end, the program assists in obtaining clear results for at least one of the three dimensions: personal branding, ministry branding, organization branding.

To achieve these outcomes, the Doctor of Ministry degree program seeks to:

1. Lead learners to explore and develop deeply about themselves, not theories or principles.

2. Support to think and practice from the center of TEXT to the center of CONTEXT.
3. Balance theory and practice through the collaboration of professors, field experts and instructional designers.
4. The latest theories used in social science and field research methods will be actively utilized. (PBL, Design Thinking, Deep Level Interview)
5. Through individual mentoring, not only design a student-tailored learning course, but also experience a holistic education.
6. The final project will not only have a real impact on individuals and communities, but it will also be an expandable theme from a long-term perspective.

Learning outcomes

Upon completing this degree, students will be able to:

- Have a deep understanding of yourself.
 - Identify the individual's giftedness and responsibilities.
 - Develop your strengths further.
 - Continue to develop a personal brand.
- Establish a knowledge base of mission (theology).
 - Understand the position and role of missiology.
 - Understand principles of the missional church.
- Have practical skills.
 - Hard skills (planning, research, strategy, organizational management).
 - Soft skills (communication, teamwork, reporting)
 - Conflict management skills (problem solving, development skills for rebranding).
- Develop a blueprint for ministry.
 - Have a concrete and practical plan.
 - Based on the blueprint, you will form a team to work together on a new ministry.

DMin in Counseling and coaching With Spiritual Formation Program

General Description and Program Goals

The DMin in Christian Counseling and Spiritual Formation (hereafter DMin in CCSF) program is a 34-unit degree program that prepares students for scholarly research and effective ministerial skills on Christian counseling and spiritual formation. DMin in CCSF program will provide in-depth training in research on integration of theology and psychology as well as in actual counseling techniques and spiritual formation practices

Learning outcomes

In accordance with World Mission University's central objectives, the DMin in CCSF program seeks to enable students to:

1. Engage their ministerial context with theological acumen and critical thinking by the integration of theology and psychology,

2. Articulate and respond to crucial ministry issues in diverse personal and cultural contexts,
3. Enhance and practice Christian counseling and spiritual formation at advanced levels as Christian leaders in order to contribute to positive transformation of the world,
4. Demonstrate dedication to the personal and spiritual maturity.

DCM Program Description

Doctor of Church Music

General Description and Program Goals

The Doctor of Church Music is an advanced professional program offering proficient level studies in performance, research, and other related academic areas, with particular attention in church music.

The goals of the Doctor of Church programs are

- To equip students with intellectual, spiritual, and practical ability to be efficient leaders in church music ministries.
- To prepare students for ministry to teach spiritual music leaders in church.

Through 48 credits of in-depth study, students will be growing intellectually and mature spiritually, and be more than ready to serve as confident leaders in various areas of church music ministry.

Learning outcomes

Upon completing this degree, students will be able to:

- Demonstrate performance competence at the highest possible level in their major area (Conducting, Piano, Voice, and Worship Arts).
- Acquire highest level scholarly knowledge on historical/theological development of church music and demonstrate professional leadership as church musicians.
- Demonstrate comprehensive expertise in related fields such as musicology and literature.
- Demonstrate high proficiency in verbal communication of musical concepts and literary capability needed for music research.
